Michael D. Grosenheider, CPP, PSP, a Senior Associate with Kroll Security Group, has been with the firm since 1994.

Mr. Grosenheider's project responsibilities as Project Engineer include system planning and design, specification writing, project coordination, bid review and negotiation, and contract administration.

His experience derives from 13 years of systems designs, field inspections and evaluations. In addition, he is experienced in multidisciplinary project coordination critical to proper security system implementation. Coordination responsibilities include security system power requirement and heat load calculations, door hardware, fire alarm and elevator control systems.

Mr. Grosenheider's experience makes him uniquely qualified to design and specify systems with a focus on specific client requirements and interdisciplinary coordination.
