

James E. Moore, CPP

Sr. Managing Associate

973-401-5100

jmoore@kroll.com

44 Whippany Road

PO Box 1966

Morristown, NJ 07962-1966

Mr. Moore has an extensive and varied operational and administrative background having over 30 years experience in the security industry.

Prior to joining Kroll, Mr. Moore was Director of Physical Security for Webvan Group, Inc. Mr. Moore was responsible for developing policies, standards, strategies and programs to assess security vulnerabilities, mitigate risk, and support the overall goals of the business. In addition, Mr. Moore worked closely with various disciplines to design and construct distribution centers, customer service centers and corporate office complexes.

Mr. Moore has had 23 years experience with Citicorp/Citibank. His most recent position was as Vice President, where he was responsible for global physical security planning and programs, administered in over 90 countries. Responsibilities included the development of physical security policies and procedures, threat / risk assessments, administration, training programs, special events planning and senior officer security programs. Mr. Moore has worked with various design disciplines and suppliers to provide security design and installation for; bank branches, money centers, data centers and high-rise and campus office complexes around the world.

Since joining Kroll, Mr. Moore has provided consulting, project management and design services for a variety of clients for the development of comprehensive security programs.
