### **Cook County Domestic Violence Court** Chicago, IL

Kroll Security Group was retained by Campbell Tiu Campbell to complete design, bid and implementation of security systems for a new Domestic Violence Court in downtown, Chicago.

The new facility provides 10 courtrooms with full audio-visual capabilities, and elevators that separate victims of domestic violence from their alleged perpetrators to avoid acts of intimidation, and threats of physical violence which often accompany the court proceedings.

#### **Scope of Work included:**

- Access Control
- Closed Circuit Television
- Detention Facilities
- Duress Alarm
- Intercom System
- Intrusion Detection
- Security Command Center
- X-Ray Screening & Metal Detection

At a cost of \$64.3 million, the Domestic Violence Court was completed in the summer of 2005.
