1025 Main Street  
Bastrop, TX 78602

Wendell Lind, a Senior Associate with Kroll Security Group, has been with the firm since 1998.

Mr. Lind's project responsibilities include Project Manager and Project Engineer. These responsibilities include determination of client's security requirements, system planning and design, specification writing, developing implementation strategies, project coordination, bid negotiation and contract administration.

Mr. Lind began his career in the security industry in 1980 with a strong electrical and mechanical background of twenty-six years. Prior to joining Kroll Security Group, Mr. Lind worked as a senior project manager for a national system integrator. He was responsible for site assessment, budgeting, system design, programming, project management and construction administration of large-scale, security systems for commercial, industrial and institutional clients.
