902 Calle Campana Ct.
Roseville, CA 95747

Michael Bolduc, CPP, Associate Vice President, is Office Head for the Kroll Security Group Sacramento area office and has been with the firm since June 2008.

Over the course of a professional security career spanning 33 years, Mr. Bolduc has acquired extensive experience and knowledge in all aspects of security related systems with emphasis on design and integration of access control, intrusion detection and video surveillance systems. He brings an in-depth working knowledge of manufacturers' products as well as security solutions that integrate enterprise access control, perimeter intrusion detection and video surveillance and recording systems. Mr. Bolduc has considerable experience in technology and software installation relating to integration of complex security systems with supplementary systems. In addition, Mr. Bolduc maintains over 20 years of supervisory and managerial experience that includes project management, personnel and systems account management. Mr. Bolduc has gained wide-ranging experience in product research, threat/vulnerability assessments, systems design, planning and engineering, and installation of integrated systems.
